

Skill Set CI – Childrens Parties

Your Questions Answered

Why Use Skill Set?

- We will take the stress away! We will entertain the children for as long as you want us to and will ensure that they have a good time. Our coaches are qualified and experienced at working with children and have completed enhanced Guernsey police checks.

Where Can I hold My Party?

- Either us or you can arrange the venue. We have arranged the ability to rent the excellent facilities at Blanchelande School or suggest Rue Mainguy or Styx, for smaller parties you may like to consider a community or church hall. We are happy to assist in locating the right venue for your party.

How Many Children Can I Invite?

- As many as you like as long as your venue is large enough. We will provide as many coaches and assistants as is required to involve everyone attending and will format the party accordingly.

Do You Provide Invitations?

- We can provide invitations, personalised to your child's favourite sports, teams or footballers for example, and can include your child's photo if you would like us to as long as you have a suitable electronic format eg jpeg.

How Much Notice Do We Need?

- We can only attend parties when our schedule of other activities permits so best to book well in advance, however we may be able to attend a party at short notice, so please check with us and book a date early whenever possible.

What Sports and Activities Can You Offer?

- Our parties can be Multisport (cricket, rounders, dodgeball, handball plus games), Football, Tennis, Futsal or Basketball as well as Traditional Games We will try and accommodate any sport your child wishes to have. For example a beach party could include football, cricket, athletics and skittles. We can also host a party on a multi sport challenge basis, i.e. have a bit of competition between teams.

What About Food?

- We have arranged for an exceptionally good value for money menu choice with The Good Food Group (Pelicans Café), with food delivered to your venue of choice 7 days a week, from £2.95 per child to include serviettes and plates. Alternatively you can provide your own food option.

What Age Group Do You Cater For?

- Honestly, any! We can entertain children or teenagers. The activities and party style are geared towards the age of the birthday.
